WINTER ACTIVITIES WORKSHOP

Pocono Environmental Education Center is co-sponsoring a winter activities workshop with The American Nature Study Society to be held at PPEC, February 20-22, 1981.

The workshop has been designed to meet the needs of people seeking guidelines for directing outdoor activities. Formal and nonformal educators are invited to attend including elementary, middle school and secondary teachers, naturalist department chairpersons, nature center directors, curriculum developers, community youth leaders.

Among the workshop experiences will be practical method demonstrations for utilizing outdoor settings. Nature photography, identifying winter trees, adapting for winter, outdoor biological instructional strategies are to be included. The program is designed to allow for the exploration, evaluation and, then, adaption of programs to specific needs. Winter sports will also be featured including cross-country skiing, tubing, curling, ice fishing.

Interested persons should contact PPEC Director Jack Padalino at: R.D. 1, Box 268, Dingmans Ferry, Pa. 18328, (717) 828-2319.
